JOINT STATUS REPORT

On May 20, 2025, this court ordered [Doc. #34] the parties to file a joint status report by 5/27/25 indicating (1) whether the matter will be resolved; or (2) proposing a briefing schedule on the pending motion for preliminary injunction and response to the complaint.

The parties have discussed settlement further, but have not concluded such discussions; and the parties are awaiting responses from their respective clients on proposed terms.

The parties therefore do not believe it appropriate to propose additional briefing on Plaintiff's Motion For Preliminary Injunction until the parties have concluded their discussions; and therefore suggest that the parties submit an additional status report on or before June 3, 2025 addressing whether the matter will be resolved or whether additional briefing is proposed, and on what schedule.
